Registered Charity Number: 1068565

A memorial gift to Vision Support is a very special way to remember a loved one, helping to provide support and assistance to local people who are blind or partially sighted.

Your gift will be used to help people with sight loss who are often elderly, with practical help and support to enable them to stay independent for as long as possible.

The family of the person honoured by your gift will receive a personal letter, with the total sum given and a list naming the donors. (The amounts of individual donations are never disclosed.)

If you would like to remember a loved one, friend or colleague in this way, please complete the details on this form, and return in with your gift to Vision Support Head Office. Alternatively you can make a direct payment into Vision Support's bank account.
